

IMPORTANT INFORMATION

Dear Resident/Business

RE: Expansion of the G.Network Fibre to the Premises Network

Please be advised that G.Network Ltd will be commencing works in **Warrington Gardens on the whole length of street opposite Manor House Court**, this will form part of G.Network's full fibre network expansion across Central London. Works are scheduled to take place from 16/10/19 to 22/10/19

This work is being coordinated with the **City of Westminster** Highway's Network Management team and all work will be carried out in accordance with the New Roads & Street Works Act 1991.

Works will consist of laying underground ducts and fibre optic cables in the carriageway and footway to every property in the street. This means every business and residence will have access to ultra-fast full fibre broadband with packages ranging from 30Mbps to 10Gbps.

We would like to apologise in advance for any inconvenience that these works may cause and can assure you we will endeavour to keep disruption to the absolute minimum, whilst passing your property as quickly as possible.

We thank you in advance for your co-operation and should you require any further information regarding these works please contact:
